Participating Organisations

To complete this section, you will need your organisation's identification number (OID). Since 2019, the Organisation ID has replaced the Participant Identification Code (PIC) as unique identifier for actions managed by the Erasmus+ National Agencies.

If your organisation has previously participated in Erasmus+ with a PIC number, an OID has been assigned to it automatically. In that case, you must not register your organisation again. Follow this link to find the OID that has been assigned to your PIC: [Organisation Registration System](#)

You can also visit the same page to register a new organisation that never had a PIC or an OID, or to update existing information about your organisation.

Cooperation arrangements

How was the partnership formed? What are the strengths that each partner will bring to the project?

How will you ensure sound management of the project and good cooperation and communication between partners during project implementation?

Have you used or do you plan to use Erasmus+ platforms for preparation, implementation or follow-up of your project? If yes, please describe how.

Please describe the tasks and responsibilities of each partner organisation in the project.

Activities

All the activities of a Small-scale Partnership must take place in the countries of the organisations participating in the project. In addition, if duly justified in relation to the objectives or implementation of the project, activities can also take place at the seat of an Institution of the European Union, even if in the project there are no participating organisations from the country that hosts the Institution.

In the following sections, you are asked to provide details about each project activity.

You are asked to provide information about each planned activity as a whole (e.g. its venue, duration, etc.), to define the activity's lead organisation, and optionally to list the other participating organisations. The lead organisation is typically the one organising the activity. The other participating organisations are all other project partners who will also take part in the particular activity. The estimated activity start and end dates can be changed during implementation.

Please include in the section below all planned activities and indicate the grant amount allocated to each one. Keep in mind that the total amount should be equal to the project lump sum requested.
