STAFF Mobility & ICM Coordinator

inclusivemobility.eu platform

- The European platform about inclusion and support services offered by HEIs, NAs and ministries for education to international students

- The main barrier = fragmentation of information + lack of unified communication channel;

- Solution = one-stop place gathering all relevant information;

inclusivemobility.eu platform

- A central point of information on inclusive mobility for all:

  - Developed in cooperation between ESN & SIHO;

- Clear information about existing mobility opportunities;

- Testimonies from mobility participants;

- Strategies, processes & support services on inclusive mobility

02

The state of play at the CU

Oliver VAVRO
STAFF Mobility & ICM Coordinator

Support Centre for Students with Special Needs

- Consultations, support services and educational activities for applicants with special needs;

- Special needs coordinators at the faculties;

- Information, advisory and consulting services: the provision of information for applicants;

- Academic support during studies: adapted forms of exams, access to study materials and courses, effective study techniques, etc.

Inclusive mobility

- Barrier-free ENLIGHT web entry point (e.g. audios);
- Barriers' identification at CU: ongoing online survey by Support center for students with special needs;
- Identifying our students/staff to record short videos +one interview in our University Magazine – to share positive experiences with mobilities, thus encouraging others;
- Hybrid options of mobility for students with special needs;
- Flyers in Braille language.

Inclusive studies

- Each year - Teacher award for inclusive classrooms and new methods of teaching;

- Preparing teachers for Multilingual classrooms - language courses and inclusivity courses for CU teachers;

- Support centre for CU students with special needs web-page (barrier-free + in English);

- Working on ENLIGHT web-page – include all diversity and inclusion options for incoming students – at the level of the Alliance

Inclusive studies

- Working on main university web page + the faculties web pages – include all inclusion and diversity options for incoming and outgoing students as well;

- Each year, Global Engagement module and Teacher education network – BIPs for students – what Global citizenship and acceptance are and how to implement them.
