"Going on Erasmus+ was probably the best decision I could have made."

"Erasmus+ represents a unique opportunity that, in my opinion, no student should miss."

Studying abroad

Thanks to studying abroad within the Erasmus+ programme, you can improve your communication skills, language, intercultural skills, and gain social skills highly valued by employers.

Opportunities to study abroad are available to bachelor's and master's students and doctoral candidates.

Study abroad lasts a minimum of 2 months (or 1 academic semester) and a maximum of 12 months.

Get inspired

Useful platforms

The Erasmus+ Project Results Platform provides access to information and results of all projects funded under the Erasmus+ programme.

Erasmusintern.org Platform for internship offers

Staffmobility.eu Platform for training offers

Don't hesitate and start your journey with Erasmus+

What can I gain from the Erasmus+ programme?

Developing entrepreneurial and creative skills highly valued by future employers

Improvement of foreign language, interpersonal, and intercultural teamwork skills

Deeper understanding of another country and culture

Opportunity for personal, academic, and professional growth

Internship abroad

Thanks to an internship abroad, you can significantly improve your knowledge, skills, and competencies that employers are looking for.

Every tenth internship graduate under the Erasmus+ programme has even started their own company!

Support from the Erasmus+ programme is available for internships abroad for periods ranging from 2 to 12 months.

How to apply?

Just go to the Erasmus+ programme coordinator at our school, and they will answer all your questions!
