Of accredited organizations

Adult Education

The Slovak Academic Association for International Cooperation is a voluntary association of individuals and legal entities whose goal is to support and coordinate international cooperation programmes of Slovak higher education institutions and other institutions, especially with European Union, in the framework of educational and other programmes. National Agency for Erasmus+ Programme for Education and Training Sectors operates under the Slovak Academic Association for International Cooperation. It supports and implements the programme at the national level, acting as a link between the European Commission and participating organizations at the local, regional, and national levels.
